ANTI-WRINKLE INJECTIONS

Wrinkles and fine lines are a natural part of getting older but you can develop wrinkles even at an early age due to excessive sun exposure or smoking. Also, certain skin types are more susceptible to developing wrinkles than others. Whatever the cause may be, CURVZ can help tackle this issue with our wide range of anti-wrinkle treatments.

DERMAL FILLERS

As our face naturally changes with age we may notice that we develop wrinkles on our face, our lips may not be as full and our cheekbones are not as high as they used to be. Dermal fillers can be used to help minimise the signs of aging by adding definition, volume and support to the face.

1ml.....*from* \$329

Areas include lips, chin, jaw line & jowl, cheek, tear trough and temples. Please phone for more pricing.

We offer complimentary 15 minute consultations with our therapist and doctor on all services, so that your left feeling confident in your decision.
